Join us for an unforgettable evening as we mark five years of impact, resilience, and growth

We invite you to celebrate with us as we stand united in our shared commitment to equity, empowerment, and education. Together, we are not only shaping the future - we are changing it.

Dear Friends & Supporters,

Five years ago, we planted a seed—a vision that every classroom, every child, and every community deserves educators who see them, value them, and fight for their futures. Since 2020, Profound Ladies has stood as a lifeline, empowering and supporting Black, Indigenous, and Women of Color (BIWOC) educators who pour their hearts into shaping generations of students. On Friday, April 25, 2025, at The McKimmon Center in Raleigh, NC, we invite you to join us for our 5th Anniversary Charity Gala—a celebration of the resilience, power, and undeniable brilliance of the women at the heart of this work.

This evening's theme, "Rooted in Resilience, Growing in Power," is more than words—it's our story. It's the story of women who dared to keep going when systems told them to stop, of classrooms transformed, and communities uplifted. It's about the power of advocacy, sisterhood, and collective action to change lives. Your presence at this milestone event will honor the educators who persevere, inspire the students who dream, and strengthen the communities that thrive because of this work. Together, we'll celebrate the wins, the work, and the women who refuse to give up on equity and justice—no matter the barriers. This is more than a gala. It's a movement. And we need you to move with us.

Profoundly yours,
